WORK EXPERIENCE:

- **VA Rooftop (Appointment Setter) 2026**
 - Handled inbound and outbound customer interactions through a CRM integrated auto dialler, offering homeowners free, no-obligation roof inspections. Gathered and verified essential information, including homeowner insurance, roof type and age, homeowner name, property value, and any special requests or concerns. Qualified and documented leads in the CRM before coordinating them with the onsite inspection team responsible for conducting the roof inspection at the property.
- **VA Social Media (Profile Manager) 2026**
 - Managed messages from fans, brands, and other content creators through social media and email. Handled fan interactions, recorded promotional and collaboration opportunities, and notified the content creator of important deals or requests with screenshots. Prepared and professionally customized responses for the creator's approval before sending.
- **CONCENTRIX (Ticketmaster) 2022 – 2026**
 - As a Sr. Quality Evaluator at Ticketmaster, I conducted audits for Zendesk (chat & email interactions) and Amelia (live chat interactions), led team meetings to ensure calibration, provided coaching feedback for outliers, and generated daily, weekly, and monthly reports. Additionally, I participated in calibration sessions with the Operations, Quality, and Training teams.
- **TASK-US (DoorDash) 2021 - 2022**
 - As a DoorDash VIP Agent, I provided exceptional customer support through chat, email interactions, and outbound calls to merchants, drivers, dashers, and customers, ensuring smooth order management, prompt problem resolution, and personalized assistance to enhance the VIP customer experience.
- **SITEL (AT&T ISM/DirecTV) 2019 - 2021**
 - As an inbound agent, I provided comprehensive customer support, technical assistance, and sales services for both AT&T and DIRECTV, addressing inquiries, troubleshooting issues, recommending products, and processing transactions to enhance customer satisfaction.
